Definitions

CL New Fit - New patient not seen previous at SEC. Fee includes fitting, 1 set diagnostic set of lenses and follow up care for 30 **days**

*CL Refit - Patient seen previously at SEC for contact lens services or patient has valid documented CL information from previous fitting exam. Patient prescribed same brand and material type.

One additional follow-up visit included in fee charges.

If brand or material type change, patient is considered a new fit and new fit fee will apply.

RGP Fits - All RGP lens orders must be ordered with guarantee fit for remakes.

Contact lens prescriptions will expire one year from the date of initial exam.
